- 18. (Unclassified THW) LIAISON Called Ken McLean, Staff Director, Senate Banking, Housing and Urban Affairs Committee, to review with him just what is required to be provided to the Committee. He said all he was asking for at this point was our agreement to declassify the enclosure to the letter to Chairman William Proxmire (D., Wis.).
- 19. (Unclassified SF) LIAISON Received a call from Lana, in the office of Representative Samuel S. Stratton (D., N.Y.), who had in her possession a letter written to the Congressman from a constituent concerning possible employment with the Agency. The Congressman wanted to foward the letter to the CIA with a covering letter from the Congressman and wanted the name of someone in Personnel who he could address the letter to. I told Lana the Congressman could address his letter to Mr. F. W. M. Janney, Director of Personnel.
- 20. (Unclassified MMP) CONSTITUENT Called the office of Representative John N. Erlenborn (R., Ill.) and talked to Ms. Judy Rotterer about the constituent letter from Illinois. I told Judy that we had prepared an answer to the Congressman, but that the answer really only told them that the investigative and operational pursuit of spies within the United States was the responsibility of the FBI and that the CIA is not in a position to comment on the presence or activities of foreign spies within the United States. She thanked me for the call and said that they really should have sent the inquiry to the FBI. She said that she did not believe that a letter from us would be necessary.
- 21. (Unclassified MMP) LIAISON Called Nancy Leyton, in the office of Representative Christopher Dodd (D., Conn.), to confirm the 16 February 10:30 a.m. appointment between the Congressman and four CRS analysts The meeting will take place in 224 Cannon House Office Building and is for the purpose of debriefing the Congressman on his perceptions of several

(Unclassified THW) LIAISON Jack Brady, Chief of Staff, House International Relations Committee, called and asked if we could get him a map by 16 February just like the one we had formerly given to Chairman Edward P. Boland (D., Mass.), House Permanent Select Committee on Intelligence. I told him we could accommodate his needs.
- 20. (Unclassified THW) LIAISON I called Ken McLean, Staff Director, Senate Banking, Housing and Urban Affairs Committee, and told him we had reviewed the enclosure to our 7 February 1978 letter and decided that all but one paragraph could be declassified. He said that would be fine. He had no problem with maintaining the classification on the one paragraph.
- 21. (Internal Use Only THW) LIAISON Hans Binnendijk, Senate Foreign Relations Committee staff, called saying that the paper he is preparing on the air balance in the Middle East does not quote CIA in any part. He added that one of the tables he was using on numbers did reflect CIA estimates and since he had promised to allow us to see those portions of his report containing CIA information he said he would send it to us for review.
